CYBERVIEW Sdn Bhd (CSB) together with Prima Properties Management Sdn Bhd recently treated 100 underprivileged children from three homes in the Sepang and Puchong area to Hari Raya shopping.

The children — aged between five and 17 years old — were from Pusat Jagaan Baitus Sakinah Wal Mahabbah, Kota Warisan Sepang; Rumah Anak-Anak Yatim/Miskin Taman Baiduri, Sepang; and Rumah Kebajikan Baitul Hidayah, Puchong.

"Some of the children do not even know what it is like to have family members care unconditionally. So, we decided to take the kids out for a fun-filled day," said CSB managing director Hafidz Hashim.

The children were treated to a hearty break-

fast before Cyberview staff and other volunteers took the children shopping for their Hari Raya baju kurung sets and shoes for the girls and baju Melayu sets for the boys at the Mydin outlet in Subang.

The children enjoyed their day out with the mothers and ended the trip with smiles on their faces as they exchanged stories of their experience with each other while savouring their KFC lunch.

Adawiyah Solehuddin, a seven-year-old girl from Pusat Jagaan Baitus Sakinah Wal Mahabbah said this Raya would be one of her best Raya celebrations as she will get the chance to wear new clothes that she picked out herself and not just hand-me-downs.

"I am very happy that I can go out with my friends for Hari Raya shopping. I got to buy plenty of things and also eat one of my favourite meals," she said.
